*About the Big Picture Program*

# Life beyond the **HSC**

The **Big Picture Program** helps young men see their high school years from the viewpoint of their entire life. It encourages them to develop now the skills and attitudes they will need for the challenges of life ahead. Through a combination of classes, presentations, and one-on-one mentoring, the Big Picture Program teaches participants to be men of character who are ready for responsibility in society.

The five-day workshop in 2019 will be held at Castlereagh Christian Conference Centre, Castlereagh. The conference provides the bulk of the program's content, consisting of a series of talks, workshops, forums and other activities, including day trips to Sydney CBD and Warrane College of the University of New South Wales.

The Christian orientation of their activities is the responsibility of Opus Dei, a personal Prelature of the Catholic Church.
